

4th International Student Drawing Triennial 2023

CALL FOR SUBMISSIONS

Submit your work for the 4th MTRS International of Student Drawing Triennial / Fourth Dimension of Drawing! The competition is open to students and 2021–2023 graduates of higher education institutions for art studies.

The review of student drawing in its most significant, up-to-date, original and interesting aspects will take the form of a competition exhibition. The international jury will grant awards to the best drawings, and all works will be presented at a curated exhibition at the Rondo Sztuki Gallery.

Enter the competition!
